## **Captain's Comments**

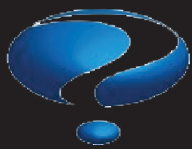

We welcome Phil Cooper and his Northern team to Rake Lane for what is sure to be an exciting game of cricket. The game here last year was a classic as the Northern boys beat us with a display of bowling and fielding that was amongst the best we saw in 2008. The return leg was a rather shorter affair as Naz turned on his after-burners to bowl our guests out in short order. With the promised good weather due to arrive we should see ideal cricketing conditions as both sides seek to build on their weekend cricket.

We are coming off two wins achieved in contrasting style as we blew hot and cold against Prestatyn, with the performances of Louis, Zahid and John While being hot and everyone else being flu-like. The Monday game against Wallasey resulted in victory without our leading all-rounders Alex Roberts and Martyn Evans. It was notable for a fantastic innings by Paul Hale (best knock of the summer so far) and Logsy Wilson and quality

bowling from Ashraf and Louis. Both were comfortable victories in the end but the mid-game struggles will have done us good and I felt on Monday that we were slowly starting to get into our stride as a team for the first time this season, more of that today please!

As many of you will know Alex Roberts has signed to play for Leicestershire for the rest of the season but I fully expect him to be available to us for many weekends. He made his debut on Monday and saw Michael Vaughan dropped off his bowling in a narrow defeat. It's great to see Alex and Martyn (out of hospital) back today and we wish them both well.

Finally, a special word of thanks to Phil Hale, Rob and Alex Hughes, and Iain McKillop, our Friday/Saturday water-hoggers and grafters. Without you guys we'd have had no cricket last Saturday or kid's games last Sunday morning. So on behalf of many, Thank You!
